### Our commitment

As a Leadership we recognise the need to provide a safe and caring environment for children. We acknowledge that children, young people and vulnerable adults can be the victims of physical, sexual and emotional abuse, and neglect. We accept the UN Universal Declaration of Human Rights and the International Covenant of Human Rights, which states that everyone is entitled to "all the rights and freedoms set forth therein, without distinction of any kind, such as race, colour, sex, language, religion, political or other opinion, national or social origin, property, birth or other status". We also concur with the Convention on the Rights of the Child which states that children should be able to develop their full potential, free from hunger and want, neglect and abuse. They have a right to be protected from "all forms of physical or mental violence, injury or abuse, neglect or negligent treatment or exploitation, including sexual abuse, while in the care of parent(s), legal guardian(s), or any other person who has care of the child." As a Leadership we have therefore adopted the procedures set out in this safeguarding policy in accordance with statutory guidance. We are committed to build constructive links with statutory and voluntary agencies involved in safeguarding.

The policy and attached practice guidelines are based on the ten **Safe and Secure** safeguarding standards published by the Churches' Child Protection Advisory Service (CCPAS).

The Leadership undertakes to:

- Endorse and follow all national and local safeguarding legislation and procedures, in addition to the international conventions outlined above.
- Ensure that the premises meet the requirements of the Disability Discrimination Act 1995 and all other relevant legislation, and that it is welcoming and inclusive.
- Support the Safeguarding Coordinator(s) in their work and in any action they may need to take in order to protect children and vulnerable adults.
- File a copy of the policy and practice guidelines with CCPAS, and any amendments subsequently published. The Leadership agrees not to allow the document to be copied by other organisations.

## **SECTION 2**

### **Recognising and responding appropriately to an allegation or suspicion of abuse**

#### **Understanding abuse and neglect**

Defining child abuse or abuse against a vulnerable adult is a difficult and complex issue. A person may abuse by inflicting harm, or failing to prevent harm. Children and adults in need of protection may be abused within a family, an institution or a community setting. Very often the abuser is known or in a trusted relationship with the child or vulnerable adult.

In order to safeguard those in our places of worship and organisations we adhere to the UN Convention on the Rights of the Child and have as our starting point as a definition of abuse, Article 19 which states:

*1. States Parties shall take all appropriate legislative, administrative, social and educational measures to protect the child from all forms of physical or mental violence, injury or abuse, neglect or negligent treatment, maltreatment or exploitation, including sexual abuse, while in the care of parent(s), legal guardian(s) or any other person who has the care of the child.*

*2. Such protective measures should, as appropriate, include effective procedures for the establishment of social programmes to provide necessary support for the child and for those who have the care of the child, as well as for other forms of prevention and for identification, reporting, referral, investigation, treatment and follow-up of instances of child maltreatment described heretofore, and, as appropriate, for judicial involvement.*

Detailed definitions, and signs and symptoms of abuse, as well as how to respond to a disclosure of abuse, are included here in our policy.

#### **What is abuse and neglect?**

Abuse and neglect are forms of maltreatment of a child. Somebody may abuse or neglect a child by inflicting harm, or by failing to act to prevent harm. Children may be abused in a family or in an institutional or community setting, by those known to them or, more rarely, by a stranger for example, via the internet. They may be abused by an adult or adults, or another child or children.

#### **Physical abuse**

Physical abuse may involve hitting, shaking, throwing, poisoning, burning or scalding, drowning, suffocating, or

otherwise causing physical harm to a child. Physical harm may also be caused when a parent or carer fabricates the symptoms of, or deliberately induces, illness in a child.

### **Emotional abuse**

Emotional abuse is the persistent emotional maltreatment of a child such as to cause severe and persistent adverse effects on the child's emotional development.

It may involve conveying to children that they are worthless or unloved, inadequate, or valued only insofar as they meet the needs of another person. It may include not giving the child opportunities to express their views, deliberately silencing them or 'making fun' of what they say or how they communicate. It may feature age or developmentally inappropriate expectations being imposed on children. These may include interactions that are beyond the child's developmental capability, as well as overprotection and limitation of exploration and learning, or preventing the child participating in normal social interaction. It may involve seeing or hearing the ill-treatment of another. It may involve serious bullying (including cyber bullying), causing children frequently to feel frightened or in danger, or the exploitation or corruption of children. Some level of emotional abuse is involved in all types of maltreatment of a child, though it may occur alone.

### **Sexual abuse**

Sexual abuse involves forcing or enticing a child or young person to take part in sexual activities, not necessarily involving a high level of violence, whether or not the child is aware of what is happening..

### **Neglect**

Neglect is the persistent failure to meet a child's basic physical and/or psychological needs, likely to result in the serious impairment of the child's health or development. Neglect may occur during pregnancy as a result of maternal substance abuse. Once a child is born, neglect may involve a parent or carer failing to:

- provide adequate food, clothing and shelter (including exclusion from home or abandonment);
- protect a child from physical and emotional harm or danger;
- ensure adequate supervision (including the use of inadequate care-givers); or
- Ensure access to appropriate medical care or treatment.

It may also include neglect of, or unresponsiveness to, a child's basic emotional needs.

## **Initial Response to a Concern or Allegation of Abuse**

If there is a concern that a child, young person or vulnerable adult may have been abused or a direct allegation of abuse is been made, it is important the person receiving this information does the following:

- Make notes as soon as possible (preferably within one hour of the person talking) including a description of any injury, its size, and a drawing of its location and shape on the child's body.
- Write down exactly what has been said, when s/he said it, what was said in reply and what was happening immediately beforehand (e.g. a description of an activity).
- Write down dates and times of these events and when the record was made.
- Write down any action taken and keep all hand written notes even if subsequently typed up.

These notes should be passed on to the safeguarding co-ordinator to assist them should the matter need to be referred to Adult or Children's Social Services or the police. Any referral should be confirmed in writing within 48 hours and you should expect an acknowledgement of your written referral within one working day of receiving it.

All documents should be signed, dated and kept for an indefinite period in a secure place.

## **Safeguarding awareness**

The Leadership is committed to developing a culture of awareness of safeguarding issues to help protect everyone. The Leadership will also ensure that children are provided with information on where to get help and advice in relation to abuse, discrimination, bullying or any other matter where they have a concern.

## **RESPONDING TO ALLEGATIONS OF ABUSE**

Under no circumstances should a worker carry out their own investigation into an allegation or suspicion of abuse. Following procedures as below:

- The person in receipt of allegations or suspicions of abuse should report concerns as soon as possible to Chris Cioca (hereafter the "Safeguarding Co-ordinator") tel no: 01162601517 who is nominated by the Leadership to act on their behalf in dealing with the allegation or suspicion of neglect or abuse, including referring the matter on to the statutory authorities.
- In the absence of the Safeguarding Co-ordinator or, if the suspicions in any way involve the Safeguarding Co-ordinator, then the report should be made to the Churches' Child Protection Advisory Service (CCPAS) PO Box 133, Swanley, Kent, BR8 7UQ. Telephone 0845 120 4550. Alternatively contact Social Services or the police.
- Where the concern is about a child the Safeguarding Co-ordinator should contact Children's Social Services. Telephone number (office hours) is 0116 3050005.  
The out of hours emergency number is 01162550616.  
The Police Child Protection Team telephone number is 0116 2222222
- If the suspicions involve a leader the Safeguarding Co-ordinator should then immediately inform the insurance company through Peter Chinnery Chair of Trustees tel no: 0116 2418468
- Suspicions must not be discussed with anyone other than those nominated above. A written record of the concerns should be made in accordance with these procedures and kept in a secure place.
- Whilst allegations or suspicions of abuse will normally be reported to the Safeguarding Co-ordinator, the absence of the Safeguarding Co-ordinator should not delay referral to Social Services, the Police or taking advice from CCPAS.
- The Leadership will support the Safeguarding Co-ordinator in their role, and accept that any information they may have in their possession will be shared in a strictly limited way on a need to know basis.
- It is, of course, the right of any individual as a citizen to make a direct referral to the safeguarding agencies or seek advice from CCPAS, although the Leadership hope that members of the Broadway Gospel Hall will use this procedure. If, however, the individual with the concern feels that the Safeguarding Co-ordinator has not responded appropriately, or where they have a disagreement with the Safeguarding Co-ordinator as to the appropriateness of a referral they are free to contact an outside agency direct. We hope by making this statement that the Leadership demonstrate its commitment to effective safeguarding and the protection of all those who are vulnerable.

The role of the safeguarding co-ordinator is to collate and clarify the precise details of the allegation or suspicion and pass this information on to statutory agencies who have a legal duty to investigate.

## **Detailed procedures where there is a concern about a child:**

### **ALLEGATIONS OF PHYSICAL INJURY, NEGLECT OR EMOTIONAL ABUSE**

If a child has a physical injury, a symptom of neglect or where there are concerns about emotional abuse, the Safeguarding Co-ordinator will:

- Contact Children's Social Services (or CCPAS) for advice in cases of deliberate injury, if concerned about a child's safety or if a child is afraid to return home.
- Not tell the parents or carers unless advised to do so, having contacted Children's Social Services.
- Seek medical help if needed urgently, informing the doctor of any suspicions.
- For lesser concerns, (e.g. poor parenting), encourage parent/carer to seek help, but not if this places the child at risk of significant harm.
- Where the parent/carer is unwilling to seek help, offer to accompany them. In cases of real concern, if they still fail to act, contact Children's Social Services direct for advice.
- Seek and follow advice given by CCPAS (who will confirm their advice in writing) if unsure whether or not to refer a case to Children's Social Services.

### **ALLEGATIONS OF SEXUAL ABUSE**

In the event of allegations or suspicions of sexual abuse, the Safeguarding Co-ordinator will:

- Contact the Children's Social Services Department Duty Social Worker for children and families or Police Child Protection Team direct. They will NOT speak to the parent/carer or anyone else.
- Seek and follow the advice given by CCPAS if, for any reason they are unsure whether or not to contact Children's Social Services/Police. CCPAS will confirm its advice in writing for future reference.

### **ALLEGATIONS OF ABUSE AGAINST A PERSON WHO WORKS WITH CHILDREN**

If an accusation is made against a leader whilst following the procedure outlined above, the Safeguarding Co-ordinator, in accordance with Local Safeguarding Children Board (LSCB) procedures will need to liaise with Children's Social Services in regards to the suspension of the leader, also making a referral to a Safeguarding Adviser (SA) / Local Authority Designated Officer (LADO).

## **SECTION 3**

### **Prevention; Safe recruitment**

The Leadership will ensure all leaders will be appointed, supported and supervised in accordance with government guidance on safe recruitment. This includes ensuring that:

- A criminal records disclosure has been completed (we will comply with Code of Practice requirements concerning the fair treatment of applicants and the handling of information)
- The leader has been given a copy of the organisation's safeguarding policy and knows how to report concerns.

In addition all leaders in the Children's club will be in fellowship at Broadway or other local Gospel Halls and commended to the work by the elders.

#### **SECTION 4**

#### **Practice Guidelines**
